

Ice Escapades

In a display of athletic versatility, Kevin Neiley '18, Timothy Shoup '18, Devin Buffalo '18, River Rymsha '18, Carl Hesler '18 and Corey Kalk '18 negotiate a "jump puck" on picture day for the hockey team. During breaks from the standard shoot, skaters hammed it up as though they were playing another sport: Seniors posed as a NASCAR pit crew, juniors on an imaginary baseball diamond, and sophomores in three-point stances to guard their "quarterback." Co-captain Eric Robinson '14 describes each scene as "a more extreme version of a funny-face picture."
