

# CHECKING IN WITH A FEW FRATERNITY CANINES

DRAWN BY PETER ARKLE  
REPORTED BY RIANNA P. STARHEIM '14

**BAXTER**

HOUSE: Sigma Alpha Epsilon  
BREED: Golden retriever mix  
AGE: 6 months  
BEST TRICK: I just like being cute.  
FAVORITE TREAT: That's a dumb question: anything I can put in my mouth.  
MOST EMBARRASSING MOMENT: I admit I once ate a tennis ball and had to go to the vet.  
FAVORITE ACTIVITY: Pooping in hidden places  
COMMAND I NEVER OBEY: Come. Why do I always have to go to you?  
WHY I WOULD BE A GOOD PLAYMATE FOR PRESIDENT HANLON'S DOGS: I have never met a dog I didn't like.  
BET YOU DIDN'T KNOW: I have my own Facebook page.

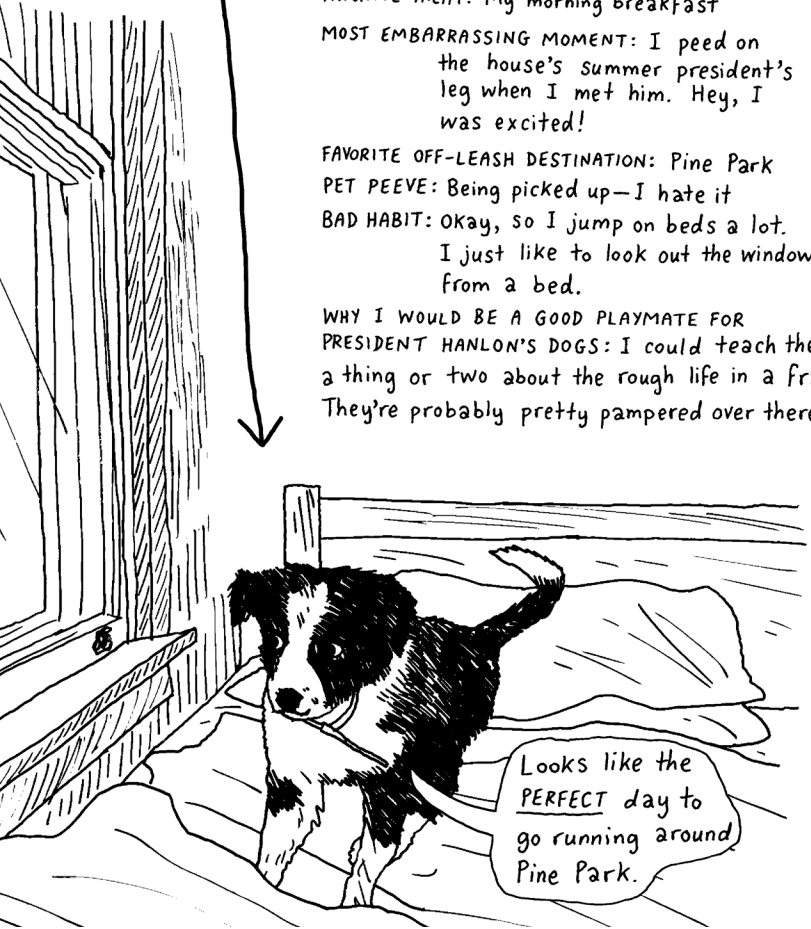

I am not going to swallow this one. I don't want to go to the vet again.

I'll let you chew my pig ear if you'll play chase with me.

**ZEUS**

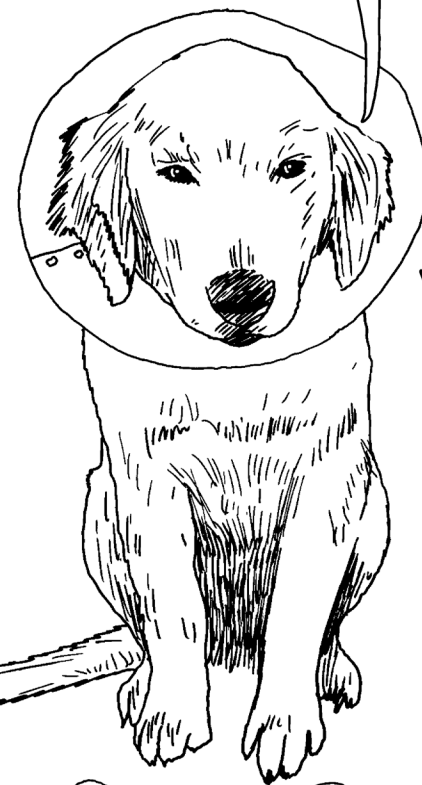

HOUSE: Kappa Kappa Kappa  
BREED: Border collie  
AGE: 4 months  
BEST TRICK: Someone says "hands up" and I'll stand up on my hind legs  
FAVORITE TREAT: My morning breakfast  
MOST EMBARRASSING MOMENT: I peed on the house's summer president's leg when I met him. Hey, I was excited!  
FAVORITE OFF-LEASH DESTINATION: Pine Park  
PET PEEVE: Being picked up—I hate it  
BAD HABIT: Okay, so I jump on beds a lot. I just like to look out the window from a bed.  
WHY I WOULD BE A GOOD PLAYMATE FOR PRESIDENT HANLON'S DOGS: I could teach them a thing or two about the rough life in a frat. They're probably pretty pampered over there.

Looks like the PERFECT day to go running around Pine Park.

**ROSIE**

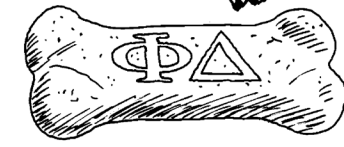

HOUSE: Alpha Delta  
BREED: Swiss mountain dog  
AGE: 8 months  
BEST TRICK: Playing dead  
FAVORITE TREAT: Pig ears  
MOST EMBARRASSING MOMENT: During a charity race last week I went nuts as runners went flying by the house. I couldn't help myself: I sprinted through the invisible wireless fence and joined them for half a mile.  
FAVORITE ACTIVITIES: You chase me and I chase you! I also like to do things I know I shouldn't, like digging holes.  
FAVORITE OFF-LEASH DESTINATION: Can't beat the Bema.  
PET PEEVE: Loud noises and falling objects. And don't even think about disturbing my sleep. Makes me grumpy.

PLEASE shake hands with me.

**BUDDY XIX**

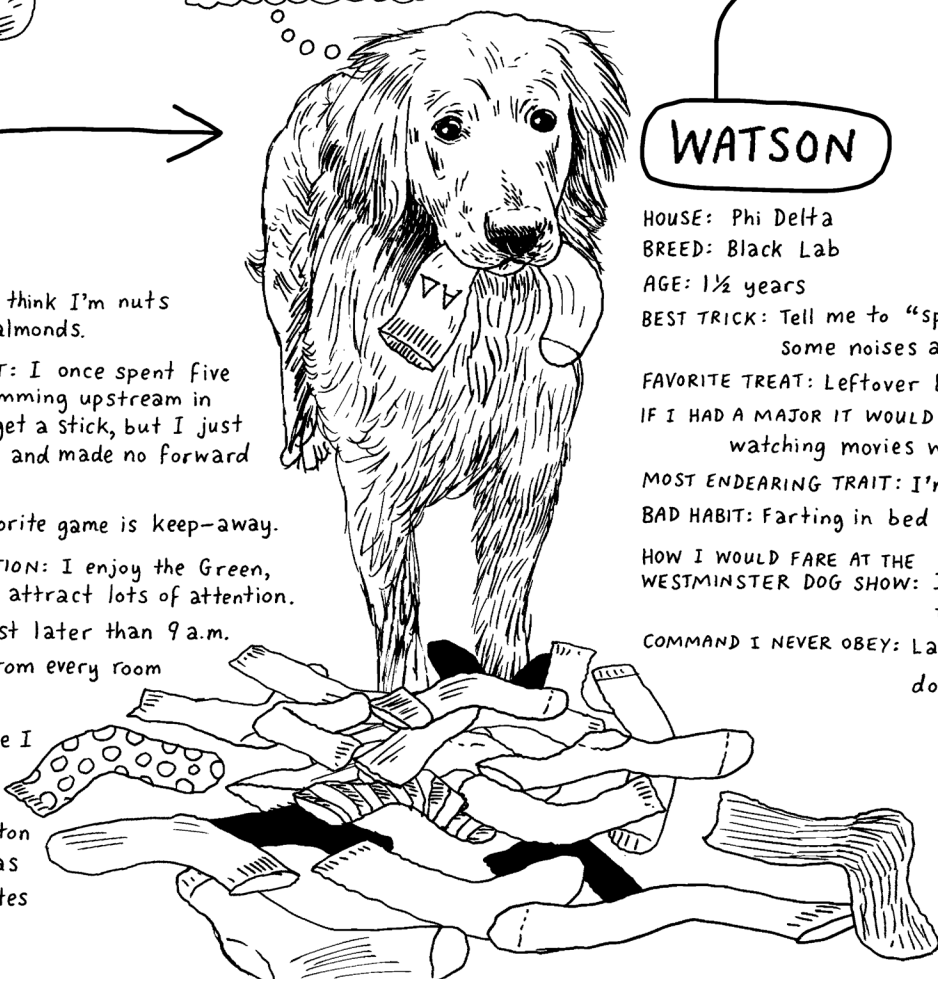

HOUSE: Phi Delta  
BREED: Golden retriever  
AGE: 9 months  
BEST TRICK: Paw! I get excited shaking hands!  
FAVORITE TREAT: Milk-Bone  
MOST EMBARRASSING MOMENT: I had to wear that darn cone of shame after I was neutered.  
FAVORITE ACTIVITIES: Sneaking into beds for naps during the day  
IF I HAD A MAJOR IT WOULD BE: Earth science, because I love digging holes.  
BAD HABIT: I don't like admitting it, but I bite my nails.  
COMMAND I NEVER OBEY: Stay

**JAKE**

HOUSE: Alpha Delta  
BREED: Golden retriever  
AGE: 2 years  
FAVORITE TREAT: Some people think I'm nuts but I love almonds.  
MOST EMBARRASSING MOMENT: I once spent five minutes swimming upstream in the river to get a stick, but I just dog-paddled and made no forward progress.  
FAVORITE ACTIVITIES: My favorite game is keep-away.  
FAVORITE OFF-LEASH DESTINATION: I enjoy the Green, where I can attract lots of attention.  
PET PEEVE: Getting breakfast later than 9 a.m.  
BAD HABIT: Stealing socks from every room in the house  
FUNNIEST MOMENT: One time I sneaked into the car of Mike McLaughlin '14, who was headed to Boston and didn't realize I was with him until 30 minutes down I-89.

I am so proud of my sock collection.

**WATSON**

HOUSE: Phi Delta  
BREED: Black Lab  
AGE: 1½ years  
BEST TRICK: Tell me to "speak" and I'll make some noises at you.  
FAVORITE TREAT: Leftover barbecued chicken  
IF I HAD A MAJOR IT WOULD BE: Film. I like watching movies with the brothers.  
MOST ENDEARING TRAIT: I'm a cuddler.  
BAD HABIT: Farting in bed  
HOW I WOULD FARE AT THE WESTMINSTER DOG SHOW: I would refuse to do the obstacle course.  
COMMAND I NEVER OBEY: Lay down. I'll lie down when I want to.

Mmmm. Chicken!
